To: The United States of America
ATTN: President Donald J. Trump

We, Manna World Holding Trust , Declare:

Manna World Holding Trust recognizes the expiration of Treaty Agreements between various aliases the Trust has had in the past, such as "Unknown Country", "Crown", etc. Further, The Trust declares as of the expiration of said Treaty(s), The United States of America is a sovereignty unto itself with no infringement on it's sovereign rights by any other Nation to include but not limited to Manna World Holding Trust, all of it's former aliases, Trust's former Trustee's, Custodians, Corporations and Comptrollers. Full Sovereign rights include, but not limited to, the right to sovereign territory, mineral rights, to hold and operate embassies, to hold and operate Central banks, to hold and operate military and intelligence forces, etc. without ANY other "Sovereign/Monarch" influences. Further the Trust recognizes The United States of America as an equal Sovereign Entity, shall it desire to enter into any further Treaty to include the return of any of it's property(s) currently held by separate Treaty both parties recognize each other to be a Sovereign Entity unto their selves with no obligation except to it's citizens.

Manna World Holding Trust formally relinquishes all rights, property deeds and custodianship to the property within the United States known as the "District of Colombia" also known as "Washington D.C." and any and all Governing Bodies contained therein formerly governed by the prior liaisons, trustees and custodians of Manna World Holding Trust since 1864. Manna World Holding Trust formally acknowledges it's agreements with the Corporation formed in 1912 known as "The Federal Reserve", signed as an infinite agreement under international corporate law this term is 99 years, therefore the expiration of the funding agreement between the Manna World Holding Trust (be it by any former name) expired on June 15, 2011. Further, its "service agreement" with the United States of America expired on June 15, 2012. Manna World Holding Trust confirms the Corporation known, as "The Federal Reserve" is a corporation owned wholly by Manna World Holding Trust. Manna World Holding Trust, as of this day, shall transfer all ownership rights fully to The United States of America to include it's right to print paper currency, any and all future income and any past income earned as of the 15th of June, 2012, any and all debts owed to it by the United States, any and all real property owned by the corporation. Manna World Holding Trust, agrees to work together with you or your appointed representation to return any other property(s) the trust may hold on behalf of the United States to include any dividends now due against any assets it may have pledged in the past. Please be advised, Manna World Holding Trust consolidation assets and restructuring began on 5th of September 2012 and was completed 1st February 2016 as of 28th of September 2012 I am the sole custodian, trustee, principal, decision making party and owner. This can be verified through any intelligence report referencing the above listed country code. Any former trustee, from any Nation to include but not limited to, China, UK, USA, have held no power over the trust since 2012, when they were relieved of duties due to multiple breaches of contract. Any other Nation, Society, Order or Organization does not influence my sole decision making capacities in any way. Nor do I have any superiors, I am not a member of any for-mentioned organizations, I act completely of my own recognizance. This document is valid as a Treaty between both Sovereigns and is legally binding under International law from this day forward.

Signed and Acknowledged on this 27th day of January 2018

M. Kimberley Ann Goguen
